

LAMA CHOPA

A BUDDHIST TANTRIC CELEBRATION

by the Monks of Drepung Loseling Monastery

SATURDAY, FEBRUARY 13TH-3:30PM

UNITY CHURCH OF HAMMOND

740 RIVER DRIVE HAMMOND IN 46324

Lama Chopa is perhaps the most popular practice in the Tibetan Tantric world. It is traditionally performed on auspicious occasions for invoking the blessings of the enlightened masters for individual, communal, and environmental healing.

The ceremony involves chants, traditional musical instruments and various offerings of light, food and flowers. Participants usually bring personal offerings of cakes, cookies, fruits and flowers, which are blessed during the ceremony and then shared with others afterwards.

There is a \$10-20 suggested love offering for this amazingly magical event.
